

Tuesday, 8<sup>th</sup> October 2019

National Wine Centre

8:30am – 16:30pm	Pre-Event Workshops	Various Adelaide locations
16:30pm – 18:30pm	Pre-Event Registration	Exhibition Hall, National Wine Centre
16:30pm – 18:30pm	Welcome Reception	Exhibition Hall, National Wine Centre <a>Sponsored by GreenCollar</a> <i>Jan Ferguson OAM, Nature Foundation SA President</i> <i>Joshua Teague MP, representing the Minister for Environment &amp; Water</i>
Evening	At Leisure	

Wednesday, 9<sup>th</sup> October 2019

National Wine Centre

7:30am	Event Registration & Hospitality Desk			
7:30am – 8:30am	Arrival Coffee and Tea			
8:30am – 10:00am 08.30am – 08:48am	Plenary	Welcome and Scene Setting Conference Welcome & Introduction to the PLC19 Conference	Hugo Hopton, NFSA CEO Emily Jenke, PLC19 MC	Hickinbotham Hall
		Welcome to County – Kuma Kaaru	Jack Buckskin	Hickinbotham Hall
08.48am – 09.08am		Nature Conservation – Society is the Answer	Sameer Deshpande	Hickinbotham Hall Sponsored by Nature Foundation SA
09.08am – 09.51am		Achieving Nature Outcomes Globally Achieving Outcomes At Scale: Global Perspectives, with Q&A	James Schultz Golo Maurer Penelope Figgis Tia Stevens James Fitzsimons, Facilitator	Hickinbotham Hall
09.51am – 10.01am		ALCA – Looking Forward	Brendan Foran, ALCA Chair Nerida Bradley, ALCA CEO	Hickinbotham Hall
10.01am – 10.02am		Breaking News	Emily Jenke	Hickinbotham Hall
10:02am – 10:30am	Morning Tea Break			Hickinbotham Terrace
10:30am – 12:25pm 10.30am – 11.00am	Plenary	Challenge and Achievement In Case of Emergency, Break Glass: Species Collapse and Climate Calamity Rising To The Challenge	Brendan Wintle Emily Jenke, Facilitator	Hickinbotham Hall
11.00am – 11.45am		A Powerful Story – 21 Years of Indigenous Protected Areas Celebrating 20 Years phenomenal Australian success story	Denis Rose, Facilitator	Hickinbotham Hall Sponsored by Department of Environment & Water
11.45am – 12.15pm		Empowering Communities – Building Capacity from Local Through to Global Scale Empowering people through collaborations and building capacity. Importance of capacity building, good governance and careful collaborations for all organisations to raise the bar and attract the right partners – local through to global	Andrew Minyardie Ari Gorring Melinda MacLeod Victoria Alonso Emily Jenke, Facilitator	Hickinbotham Hall Sponsored by BHP Foundation
12.15pm -12.25pm		Wrap Up	Emily Jenke	
12:25pm – 13:15pm	Lunch & poster display			Hickinbotham Terrace Sponsored by Bush Heritage Australia
		Quick-fire Presentations – SA Showcase [see attachment 1]		Hickinbotham Hall
13:15pm – 14:15pm	Concurrent	Connecting Communities Building links across community in Budjiti country outback Kids on Country - building a deeper connection with Traditional Custodians and their connection to country Diversified Income Streams (carbon) - effect on business, life and family Building long term community involvement in landscape restoration Protecting Properties, Connecting People	Emily Jenke, Facilitator Phil Eulo & Sarah Eccles Katie Perry  James Leigo Natasha Davis Ben Cullen	The Vines Room
13:15pm – 14:15pm	Concurrent	Keeping Pests at Bay (or too much of a good thing?) Invasive species. Innovation and science in their control. What can land managers expect? Total grazing pressure is undermining land conservation Controlling feral carnivores Dingoes in the landscape, and in the context of both nature conservation and farming Working collaboratively to protect Australia from pests and diseases that affect the environment	Jody Gunn, Facilitator Andreas Glanznig  Thomas Prowse Pat Hodgens Mike Letnic  Ian Thompson	Hickinbotham Hall Sponsored by Centre for Invasive Species Solutions
13:15pm – 14:15pm	Concurrent	Building Australia’s Protected Areas	Paul Elton, Facilitator	The Gallery Room

		<i>Arguments for long term protection of privately owned areas</i> <i>How the NSW Biodiversity Conservation Trust is delivering and investing in private land conservation</i> <i>Special Wildlife Reserves: A new class of privately protected area in Queensland</i> <i>An enduring conservation partnership</i> <i>The Ediacara Fossil Site on Nilpena Station, South Australia: finding new partnerships to manage a new national park from pastoral lands.</i> <i>Proactive Partnerships in Conservation: SA Heritage Agreement Program - 1 million hectares and beyond</i>	Victoria Marles Kate Smillie Andi Dunlop Leigh Walters Jason Irving Karina Mercer	
14.20pm – 15:20pm	Concurrent	<b>Diversifying Landholder Income</b> <i>Farm covenants: finding value in sustainable land management and biodiversity protection on agricultural land</i> <i>Delivering biodiversity stewardship agreements and a strategic biodiversity offsetting service in NSW</i> <i>What happens when two diametrically opposite organisations forge a path together? Long-term collaboration for business, community and environmental gains.</i> <i>Impact investing to generate financial returns, conservation results and community benefits (USA)</i> <i>A contemporary policy approach to offsetting vegetation clearance in South Australia</i>	Emily Jenke, Facilitator Cecilia Reibl  Maria Kwiatkowska  Alex Nankivell & Daniel Leinfelder  Carl Palmer  Sarah Reachill	The Vines Room
14.20pm – 15:20pm	Concurrent	<b>Fire &amp; Water: Reinstating Ecological Process</b> <i>Floodplain rehabilitation through environmental watering – A private landholder’s experience on the River Murray in South Australia (SA)</i> <i>Fire as an ecological restoration tool</i> <i>Indigenous fire management</i> <i>The Goldilocks effect - the right amount of environmental water in the right place at the right time</i>	Tim Allard, Facilitator Renee Thompson  Kirstin Abley  Anne Jensen	Hickinbotham Hall
14.20pm – 15:20pm	Concurrent	<b>Scaling up for Success</b> <i>The New Leaf Project - a once in a generation conservation opportunity</i> <i>The story behind the creation of Nature Glenelg Trust's new network of restoration reserves in Victoria and South Australia</i> <i>Collaboration In Conservation: key learnings and models for the future</i> <i>Emerging new models for large-scale private land conservation in Australia: Gayini Nimmie-Caira and the Great Cumbung Swamp</i> <i>Private lands conservation initiative in Chile: an opportunity to learn and exchange experiences</i>	Victoria Marles, Facilitator James Hattam Mark Bachmann  Elisa Raulings James Fitzsimons  Victoria Alonso	The Gallery Room
15:20pm – 15:50pm	<b>Afternoon Tea Break</b>			Hickinbotham Terrace
15:50pm – 16:20pm	Plenary	<b>Carbon at Scale – Profit and Restoration</b> <i>Integrating Carbon</i> <i>Opportunities and challenges presented by carbon farming. Bringing together PLC and carbon farming in a way that delivers maximum landscape improvement and biodiversity benefit. Barriers to carbon and PLC</i>	Blair Parsons Dave Moore Suzanne Ridding Todd Berkinshaw, Facilitator	Hickinbotham Hall
16:20pm – 17:10pm	Plenary	<b>Social Media Can Save the Planet – or can it? (A witty but serious exchange)</b>	Chris Daniels Sarah Sutter Louise Kipling David Bevan, Facilitator	Hickinbotham Hall
17:10pm – 17:40pm	Plenary	<b>The Harvest – The Wrap of the Day</b>	Emily Jenke Hugo Hopton	
17:40pm – 18:30pm	Networking & Refreshments	<i>drinks &amp; networking on the Terrace</i>	<i>For Conference Dinner ticket holders only</i>	Hickinbotham Terrace <a href="#">Sponsored by Greening Australia</a>
18:30pm – 22:30pm	Conference Dinner	<i>Spend the evening with fellow delegates at the official 2019 PLC conference dinner. Enjoy a South Australian three course menu paired with wines alongside music &amp; entertainment.</i>	<i>For Conference Dinner ticket holders only</i>	Hickinbotham Hall <a href="#">Sponsored by Australian Wildlife Conservancy</a>

Thursday, 10<sup>th</sup> October 2019

National Wine Centre

8:00am	Event Registration & Hospitality Desk			
8:00am – 8:30am	Arrival Coffee and Tea			
8:30am - 10:00am 08.30am – 08:35am	Plenary	Welcome Back	Hugo Hopton, NFSA CEO Chad Foulkes, PLC19 MC	Hickinbotham Hall Hickinbotham Hall
08.35am – 09:20am		Rewilding, Refugia and Threatened Species	John Kanowski Liana Joseph Chad Foulkes, Facilitator	Hickinbotham Hall Sponsored by Biodiversity Conservation Trust
09.20am – 10.05am		Farming, Change and Making the Most Of It <i>Getting practical contextualising PLC across Australia’s agricultural landscapes. PLC policy, PLC practice, PLC communication</i>	Shane Norrish, Facilitator Natalie Sommerville James Leigo	Hickinbotham Hall
10:02am – 10:30am	Morning Tea Break			
10:30 – 11:30am	Concurrent	Beating Boring: Communications That Cut Through (workshop) <i>emphasis on applied comms. Digital, pitch media, social media</i> <i>Silo art to promote nature conservation</i>	Nicole Lovelock, Facilitator Nicole Lovelock Natalie Stalenberg	The Gallery Room
10:30 – 11:30am	Concurrent	Research Into Action <i>Landholder perceptions of climate change and implications for biodiversity management on private lands Towards identifying the role and capacity of local government to support private land conservation Role of conservation covenants in influencing forest cover change depends on the scale of analysis, program type, and landholder type Storing Carbon in Inland Wetlands</i>	Chad Foulkes, Facilitator Matthew Selinske  Mat Hardy  Carla Archibald  Sarah Ning	The Vines Room Sponsored by University of Adelaide
10:30 – 12:30am	Concurrent 2hr	Turning Measures Into Money (workshop) <i>Accounting for Nature - you can't manage or invest in it, if you haven't measured it!</i> <i>Accounting natural capital assets</i> <i>Architecture and implementation of reef credits</i> <i>ClimateWorks: Land Use Futures Project</i>	Adrian Ward, Facilitator Adrian Ward  Luke Shoo Elyce Coluccio	Hickinbotham Hall Sponsored by Queensland Trust for Nature
11:30 – 12:30am	Concurrent	Partnerships & Philanthropy – Creating Appetite to Fund Your Projects (workshop) <i>Bank Australia’s Conservation Reserve: the anatomy of a successful partnership</i>	Roewen Wishart, Facilitator  Fiona Nixon	The Gallery Room
11:30 – 12:30am	Concurrent	Conservation Practices <i>Climate-ready Revegetation at Nardoo Hills using non-local provenance plants</i> <i>Strategic landscape analysis of private land for permanent protection</i> <i>Fleurieu Peninsula Swamps: a case study of an NGO led threatened species recovery program</i> <i>Restoring Para Woodlands</i> <i>Private Land Conservation - one step at a time</i>	James Hattam, Facilitator Michael Coleman & Garry McDonald Shae Brennan Tim Vale  Dragos Moise Carolyn Larcombe	The Vines Room
12:30pm – 13:30pm	Lunch & poster display Quick-fire Presentations – SA Showcase [see attachment 1]			
13:30pm – 14:30pm	Plenary	Central Connections – Private Land Conservation Stories from Remote Australia  <i>Witchelina Nature Reserve</i> <i>Budj Bim</i> <i>Indigenous organisations collaborating at scale to address environmental resilience in the desert</i>	Pepe Clark, Facilitator  Alex Nankivell Denis Rose James Thiessen	Hickinbotham Hall
14:30pm – 15:00pm	Plenary	Bringing It All Together – the 5 main things for private land conservation sector and the pitch to PLC2020	Brendan Foran, ALCA Chair Nerida Bradley, ALCA CEO Hugo Hopton, PLC19, Nature Foundation SA CEO Paul Elton, PLC20, BCT CEO Chad Foulkes, Facilitator	Hickinbotham Hall
15:00pm	Close	PLC19 Close. Following the conference, network with fellow delegates and enjoy afternoon tea or sample the extensive range of wines in the world renowned National Wine Centre’s <i>Wined Bar</i> at leisure.		

ATTACHMENT 1

Lunch e-Poster Quick-Fire Presentations

Wednesday, 9<sup>th</sup> October 2019

National Wine Centre

SA Showcase:			
Screen 1	12.30 - 12.40	Peter Martin	The role of private land conservation in a heavily vegetated agricultural landscape
	12.40 - 12.50	James Walsh	Transforming former grazing properties into biodiverse and resilient conservation estates, a case study on Dakalanta Wildlife Sanctuary.
	12.50 - 13.00	Grant Flanagan	Can Carbon Credits Generate Biodiversity Benefits?
	13.00 - 13.10	Glenn Christie	An alternative approach to revegetation in the arid zone
Screen 2	12.30 - 12.40	Chris Grant	The National Trust of SA - 64 years of nature conservation and going strong
	12.40 - 12.50	Heidi Groffen	Protecting the endangered Kangaroo Island dunnart
	12.50 - 13.00	Natasha Davis	Connecting new participants to nature conservation
Screen 3	12.30 - 12.40	Duncan Mackenzie	Gluepot Reserve - A Vision for the Future of Environmental Conservation and Sustainability
	<del>12.40 - 12.50</del>	<del>Norton Warnest</del>	<del>Interpreting and communicating the dawn of animal life on Martin's Well Rangeland Reserve</del>
	12.50 - 13.00	Annette Scanlon	Bang for your buck: revegetating arid sites using coloniser species
Stories from across the nation:			
Screen 4	12.30 - 12.40	Gaye Gadsden	Engaging 'hard to reach' landholders in endangered species conservation
	12.40 - 12.50	Anne Jensen	The Driest Inhabited Continent is Getting Drier and it is not just Climate Change!
	12.50 - 13.00	Matt Taylor	Grassroots Wildlife Research - A Participatory Approach To Framing Conservation Research Questions

Thursday, 10<sup>th</sup> October 2019

National Wine Centre

Stories from across the nation:			
Screen 1	12.35 - 12.45	Tanya Pritchard	The Queensland Model - Can cows and conservation co-exist?
	12.45 - 12.55	Paul Thomas	PLC - Pioneering Local Community
	12.55 - 13.05	Felicity Shapland	Chlamydia in the community - bringing communities along with research on cute and furrries
Screen 2	12.35 - 12.45	Margie Jenkin	Involving people in nature conservation at Skullbone Plains
	12.45 - 12.55	Jo Day	Be bold and get our hands dirty?
	12.55 - 13.05	Dean Platt	Interpreting private landholder stream restoration practices
Screen 3	12.35 - 12.45	Laura Ting	Innovative drone technology for tracking small animal movements
	12.45 - 12.55	Ielyzaveta Ivanova	Ecological contributions of private protected areas to the National Reserve System in Australia
	12.55 - 13.05	Lynise Wearne	Development of new environmental credit markets - the first project to use the reef credit scheme to address sediment in the great barrier reef catchments (Qld)
Screen 4	12.35 - 12.45	Emma Birnbaum	Expanding the Otway Ark - a local fox-control program that has gone cross tenure
	12.45 - 12.55	Andrew Tribe	The Hidden Vale Koala Project - Combining Conservation Research and Ecotourism
	<del>12.55 - 13.05</del>	<del>Stuart Blanch</del>	<del>Developing new partnerships for Koalas and Forests</del>
