Lien holds a Master's Degree in Optometry. Her professional goal is to contribute to the development of eye care programs in developing countries to reduce the prevalence of avoidable blindness and vision impairment. Her studies build on her work with Australian indigenous communities and volunteer work in Sri Lanka, PNG and Vietnam.

## ROTARY POST GRADUATE SCHOLARSHIP

**VALUE: UP TO \$US 60,000**

Rotary District 9800 has designed a targeted Post Graduate Scholarship to focus on overseas study for a Masters degree, to a value of up to US\$60,000.

The Scholarship is designed to enhance the profiles of our best graduates in recent years and acknowledges the underlying strength of Victorian University graduates. The field of study must fit one of the Rotary Foundation's 6 Areas of Focus.

Applicants are invited from persons normally resident in Victoria and must be made through a Victorian Rotary Club. Lineal descendants of current/recent Rotarians are ineligible.

Applicants must be eligible for Global Grants which are awarded through a globally competitive process.

The Scholarship is more flexible than the previously offered Ambassadorial Scholarship in that scholars select their university while the time lines between selection and commencing study can be much shorter.

**Applications close mid-March 2018**
