## VISION

A Vision Statement describes the desired future position of the company

## MISSION

A Mission Statement defines the company's business, its objectives and its approach to reach those objectives

# VISION AND MISSION

Elements of Mission and Vision Statements are often combined to provide a statement of the business's purposes, goals and values. However, sometimes the two terms are used interchangeably.

Clearly identify the corporate culture, values, strategy and view of the future

Address the commitment your business has to its key stakeholders, including customers, employees, shareholders and communities

Ensure that the objectives are measurable, the approach is actionable, and the vision is achievable

# GOAL SETTING

Take your vision and break it down to setting specific goals you want to achieve for your business

# GOALS & OBJECTIVES

# DEVELOP A FORMAL BUSINESS PLAN

- Financial Plan
- Operational Plan
- Practice Implementation or development
